

PERSONALS

Comings and Goings of Local People and Others.

G. W. McCorkell of Salt Lake was an arrival this morning from the Utah capital.

Will Thompson arrived from Reno this morning and will spend several days in Tonopah.

W. J. Langerin of Reno was an arrival from the northern part of the state this morning.

Rev. George Gallup departed for Manhattan this morning, where he will officiate at Episcopal services tonight.

W. J. Slattery, a San Francisco business man, came up from the coast today and will tarry in Tonopah for several days.

Misses Pauline and Irene Dunn came over from Goldfield on this morning's train for the purpose of taking the teachers' examination which is now under way.

General Manager S. H. Brady and Secretary Carl Stevens of the West End Consolidated motored over to Goldfield yesterday to attend to mining business, returning to Tonopah last evening.

Mrs. McGuire and child arrived from Goldfield this morning and departed for Manhattan in one of the Tonopah and Manhattan company autos for the pine tree camp, where they will reside in the future with Mr. McGuire, who is foreman of the Big Four Mining company.

REPORT FOR MAY SHOWS COST OF SINKING BUCKEYE

MONTHLY REPORT SHOWS AN EXPENDITURE OF \$23.67 FOR EACH DAY

The total cost for sinking the Buckeye Belmont shaft No. 1 for the month of May has been compiled by General Manager Letson Balliet and will be forwarded to the stockholders of the company.

The report, as itemized, is as follows:

Lumber and mine timbers, \$3.58 per foot of shaft; standard and galvanized iron pipe, 78c per foot of shaft; top labor and teamster, \$1.30 per foot of shaft; blacksmithing and timber framing, \$2 per foot of shaft; miners and hoist; engineers, \$10.60 per foot of shaft; powder, fuse and exploders, \$1.90 per foot of shaft; illuminants and lubricants, 28c per foot of shaft; electric power ventilating, 9c per foot of shaft; electric power compressing air, 90c per foot of shaft; electric power hoisting, \$1.42 per foot of shaft; estimated incidentals, 60c per foot of shaft. Total, \$23.67 per foot of shaft.

Cost of electric power used per bucket, 7½c average. Total buckets hoisted, of rock, water, men, tools and empty 1720 during the month of May. Average footage for May about 3 feet a day, (96 feet in 31 days.)

Supplies bought and on hand, new machinery and new tools, are not included in any single month's costs. Lumber and supplies that were used during the month are included.

TONOPAH MANHATTAN AUTO CO

Our company has three new passenger cars, built for the comfort of passengers. We aim to please. Courteous and careful drivers. Our cars meet all trains and leave immediately after arrival of trains. No waiting for mails.

SPECIAL MEETING

The general Fourth of July committee will hold a special meeting at the office of H. E. Epstine, on Brougher avenue, this evening. The meeting will be called to order at 8:15 o'clock and all members are urged to be present as business of importance concerning the approaching celebration will be transacted.

ED MALLEY, Chairman.

William J. Morna, formerly of Macdonald & Moran, who personally did all patent surveying and engineering work handled by the above firm, will be pleased to meet all past patrons at his offices, rooms 204-207, State Bank building. Mr. Morna needs no introduction as he was the personal representative of the late Malcolm L. Macdonald in all surveying and engineering work. All engineering and map work given prompt attention.

BONANZA WILL HAVE FULL REPORT OF CONVENTION

UNITED PRESS WILL FURNISH THIS PAPER WITH COMPLETE NEWS BULLETINS

For the purpose of securing a complete report of the happenings at the Chicago convention, the Bonanza has arranged with the United Press for telegraphic bulletins on every happening that occurs. A direct wire from the convention hall will convey the news to Tonopah and be furnished the readers of this paper.

In addition to the regular press report, as received daily, the news of the convention will be added and the people of Tonopah will be furnished the information completely and without undue delay. An instance in the prompt service received was demonstrated today when the bulletin was received announcing the opening of the convention at 12:02 o'clock. The bulletin was received by the Bonanza in less than five minutes afterwards.

WILL DISCUSS STRIKE SITUATION AT BLAIR MINES

MEMBER EXECUTIVE BOARD OF MINERS FEDERATION TO DELIVER ADDRESS

Joseph B. Cannon, a member of the executive board of the Western Federation of Miners, will address the Tonopah Miners' union tonight at their regular meeting. The topic of Mr. Cannon's address will be the strike situation at Blair.

Mr. Cannon is an interesting talker and is thoroughly conversant with the subject. The meeting is for miners only and the members of the union have been requested to be present to hear the address as special notices have been sent out by Steve Clark, president of the organization, and Thomas McManus, secretary.

WITNESS IN DARROW CASE IS GRILLED

SAN FRANCISCO LABOR LEADER IS EXAMINED AT LENGTH BY FREDERICKS

LOS ANGELES, June 18.—Anton Johansen, the San Francisco labor leader, was unmercifully grilled today upon the witness stand in the Darrow bribery case by District Attorney Fredericks. Johansen, on direct testimony, asserted that Tveitmo had paid the expense of removing Mrs. David Caplan from San Francisco, without the knowledge of Darrow. Mrs. Caplan was a witness in the McNamara cases and was spirited out of the state to keep from testifying.

Tveitmo succeeded Johansen on the witness stand this afternoon.

KING SOLOMON TO RESUME WORK ON JULY 15TH

NEW HOIST AND EQUIPMENT ORDERED FOR PROPERTY BY MANAGEMENT

The King Solomon Mining company, containing a valuable group of lead, silver and gold claims 12 miles northwest of Crow's Springs, under the management of Forman, Jarvis and Murphy, has completed arrangements for the resumption of work on the property on the 15th of July next.

Considerable development work has been done upon the property during the past five years, which has demonstrated that the King Solomon is a proven mine and can be made a large producer with further development.

The owners will commence the sinking of a new working incline shaft, which will follow the main ledge. The ledge matter assays from \$45 to \$75 to the ton. The ore extracted while sinking will be sorted and the high grade shipped to the smelter at Thompson. Fifty dollar ore will return a nice profit to the company after transportation and reduction charges are deducted.

The distance from the mine to Sodaville is about 24 miles. A new gasoline hoist and all mining material necessary to the sinking of the new shaft is now upon the ground.

MINER CLAIMS HE WAS BUNCOED OUT OF CHANGE

FRED SPALDING MAKES APPEARANCE IN JUSTICE COURT

Fred Spalding, proprietor of the Phoenix lodging house, and who has frequently appeared in the justice court on divers charges, was up again this morning before Justice of the Peace H. H. Atkinson. Spalding was charged with embezzlement, the complaining witness being Christian Sorenson, an aged miner.

Sorenson, in securing the complaint for Spalding's arrest, swore that he tendered the lodging house keeper \$10 in payment for a week's room rent. The rent was \$3 and Spalding did not have the change at that time. He promised, according to the complaining witness, to make the payment on Monday, and when Monday arrived the necessary change failed to appear. The issuance of the warrant followed and Sergeant Walker of the police force served the warrant this morning.

The case was continued from this morning until 2:30 this afternoon when Judge Atkinson held that Spalding was guilty of the crime and sentenced him to pay a fine of \$25 and costs.
